### Right Services' Goal

is to provide a safe work environment on all our projects by:

- Utilizing a written safety program that exceeds OSHA safety standards.
- Holding weekly safety meetings and a major safety meeting each month.
- Maintaining an alcohol and drug-free work site policy. *No lost time accidents.*

### Right Services, Inc.

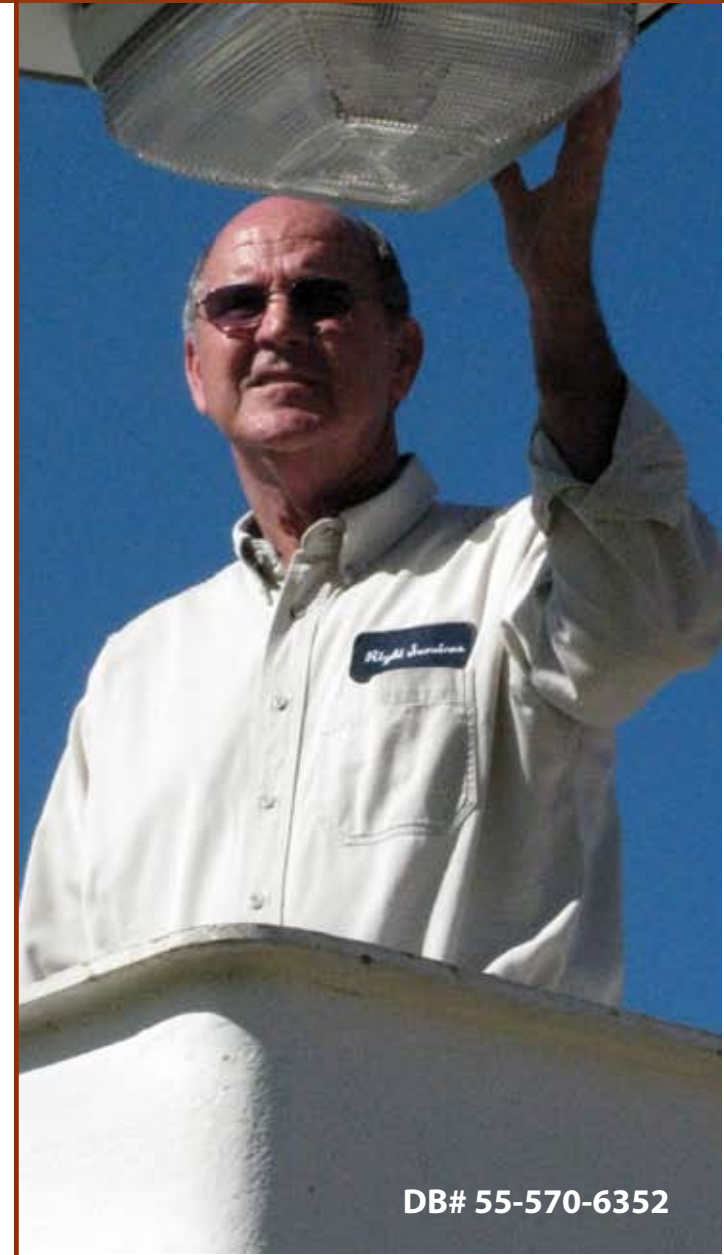

is a Georgia corporation that performs work throughout the Southeast Region, providing equipment repair, remodeling and commercial construction.

### Our Promise to You:

We will complete jobs with quality and pride in a safe manner. We will meet or exceed your expectations. Our rates are very reasonable and our invoicing is accurate and prompt.

### 24 Hour Service

Right Services employs an average of 14 full time employees. We have a 24-hour service line with technicians on call 24 hours a day, 7 days a week for emergency calls and equipment repairs.
